Subject:	letter from Former Prime Minister Ehud Barak

Dear Dr. Song,

Thank you very much, Dr. Song for the fascinating meeting we had in your office in Shanghai and the warm hospitality you have showed towards me.

I am returning to Shanghai next week, between October 14 and October 18 and would appreciate it if I could reciprocate by inviting you and General Manager Zhao to dinner or lunch , in order to know each other better and strengthen our relationship.

Warm Regards,

Ehud Barak
